Description of work progress: Topics / Tasks / Results / Decisions / Facts of importance	Responsible school(s) or person(s) incl. deadlines
<p>Found some dimensions problems.</p> <p>We got in contact with the undercarriage group to try out our coupling system. Then we found out that the length between the drillings was to long and also the threat was to big.</p> <p>In consequence of that we fixed the dimensions and stayed in close contact with the undercarriage group.</p> <p>After that we mounted the coupling on our own undercarriage and prepared a presentation for the Plenary discussion.</p>
