Description of work progress: Topics / Tasks / Results / Decisions / Facts of importance	Responsible school(s) or person(s) incl. deadlines
<p>During the meeting in Austria we decided that each country will send their presentations to Rita [LT].</p> <p>All countries have sent their presentations in time. They communicated with Rita by e-mail. Some schools had to improve them, but the work was done by all schools.</p> <p>The group members once again looked through the presentations very attentively and decided to hand them in to the representatives of the Control System group.</p> <p>All schools' presentations were handed to the students from the Netherlands as representatives of the Control Group to set into the correct order and prepare for the Final Presentation in Germany, Brussels and Luxembourg.</p>
