The homework was done. The words that were doubled were deleted. Missing pictures were added. Students added nearly all missing translations. On Saturday we have translated missing words and finished our work. There are 275 words in the glossary. There is a word and its explanation in English, translations are made to 20 other languages: Croatian, Danish, Dutch, Finnish, Flemish/Dutch, French, German, Hungarian, Icelandic, Italian, Lithuanian, Norwegian, Polish, Portuguese, Romanian, Slovak, Slovenian, Swedish, Spanish/Catalan, Turkish . Most of the words have a corresponding picture. The glossary is available for all at the address: http://trainforeurope.salesianssarria.com/mod/data/view.php?id=120 We have decided not to prepare printed version. If somebody wants to have one, he can print it directly from that website.
