<p>The production of the teaching material group was achieved few weeks before this last meeting.</p> <p>The book we produced is available on our website: http://t4eu-r.cnc-network.eu/ergebnisse/index_ergebnisse.htm</p> <p>During this last meeting in Germany and Luxembourg we only had to check that everything in the book was ok. So we finally checked our production and we also had the opportunity to show our work to other delegations in order to have their opinion and point of view about it.</p> <p>Few modifications have been done...</p>

<p>We reviewed the work that has been done.</p> <p>All out tasks and assignments have been successfully completed and put online. We had already decided that there was no need for the printed version of the manual.</p> <p>As we finished our work, we see no need to have any further meetings.</p>
