<ul style="list-style-type: none"> • Schools who do not have a skype account please do so by Monday at 17:30 • Schools who have not responded please do so by Monday at 17:30 also. • Follow the minute from Lisbon which gives step-by-step instructions. <p>By Monday 14th at 17.30 almost all participants had a Skype account. Anyone who was having difficulty setting up their account or using it was assisted by the students from this workgroup. These students have an excellent working knowledge of the IT parameters involved.</p> <p>All that remains now is for participants to use Skype for online communication. A time for this was suggested i.e. last Sunday evening of each month, but this was not agreed on. With time differences between some countries and restrictions due to school timetables it is not easy to get suitable times for Skype to Skype meetings.</p>
