

Meeting Description	Fifth Project Meeting in St. Pölten (Austria)
Meeting hosted by	Höhere Technische Bundeslehr- und Versuchsanstalt
Minute written by	[RO] Gabriela Guta

Date / Place / Time	Activities / Results / Points of importance
<p>CULTURAL DAY Sunday 3rd February 2013</p>	<p>Guided City Tour in Vienna</p> <p>The Cultural Day started at 8 o' clock in the morning and finished at around 9 PM. We started with a sightseeing tour in Vienna, by bus, split in 3 color-coded groups (Yellow, Green and Red), and we had the chance to see some of the oldest and most famous buildings in the Austrian capital city: Hofburg Palace, Schonbrunn Palace, Hundertwasserhaus (Expressionist building). After that, we took a tour of the Wiener Prater, with all its attractions.</p> <p>St. Stephen's Cathedral was also included in this tour. It was one of the most impressive sights visited. Situated in the heart of Vienna, this massive building is built in Gothic and Romanesque styles, and it is considered one of the most important Austrian symbols.</p> <p>At about 1 o' clock in the after-noon we started our lunch break and free time, until 4.30, when we met at the buses.</p> <p>Dinner in a original Restaurant (Hauriger)</p> <p>Final stop, at Heuriger Restaurant, where we spent an enjoyable evening together.</p> <p>A “Heuriger” is different from regular restaurants. Only its own wine is served, and it serves a limited selection of cold food as an evening meal, generally local, homemade products.</p>
