<p>COMPANY VISIT & CLOSURE DAY Monday 04th February 2013</p>	<p>Visit the Voestalpine AG Company in Linz</p> <p>We started this visit at 7.45 in the morning, and we were back at the hotel for the final discussions at 5 in the afternoon. We have visited the Voestalpine AG Company in Linz, where we also had our lunch break.</p>  <p>This visit was an amazing experience, as we had the chance to observe first hand steel production and processing, and also lots of steel products. What is of interest regarding this factory is that it trains its own specialists, the best trainees having the chance to work for this company. Also, this factory has an innovative steel plant, which covers about 5.2 square kilometres.</p> <p>After this visit, we travelled back to the hotel for the final discussions and for the farewell dinner.</p> <p>Review, Evaluation & Homework</p> <p>Heinz and Martin have presented the homework, with exact deadlines, and the evaluation of the meeting would be done on the Docs electronic platform</p> <p>This was a successful meeting. We made a lot of progress. Some delays are to be removed. Everybody stay in contact with the groups members and discuss ideas and vision for the meeting in BBS TGHS Bad Kreuznach and for the 10th of April 2013 in the European Parliament Brussels, Belgium.</p> <p>Farewell dinner</p> <p>The farewell dinner took place at 8 o' clock in the evening.</p>
