Exciting tour of the city, with a skilled guide and skilled driver.</p> <p>The participant who was on the first team on tour in Bad Kreuznach, working on problem solving and testing of locomotives in the school hall.</p> <p>Work hard with the electronics to the electronic map.</p> <p>Locomotive 3 draws 22 wagons with ease, locomotive 2 draws 22 wagons but has some problems with friction to the rails, the electric motor is strong but locomotive weighs a little bit too little.</p> <p>The last presentation in formulating and following a democratic vote is decided that the presentation be made after the English country code order. It is decided that the presentation should be in mother tongue and in English.</p> <p>The entire grid is moved to the sports hall, and reassembled there. The final presentation tested, and all four locomotives are now running. All train groups now have a running train, all of which will be used in the final presentation.</p> <p>Late in the day there was exchange of parts between different countries. The exchange followed a fixed schedule, which was the result of negotiations in St. Pölten.</p>
