Meeting hosted by	BBS TGHS Bad Kreuznach
Minute written by	[DK] Flemming Grønberg

Date / Place / Time	Activities / Results / Points of importance
Monday 08th April 2013	
Good Morning Flashlight 9:00 - 10:00	There are still technical problems with the electronic maps, problems resolved during the day. It is decided that the train will be in Bad Kreuznach as a single unit. Anyone can borrow the overall device by paying the freight to and from Bad Kreuznach.
Trouble Shooting 10:00 – 15:30	The technical problems with the connection between the electronic maps and carriages could not be created. The presentation of the countries in the powerpoint will be done manually.
Premiere "Train for EUROPE – RELOADED" 15:30 – 17:30	All carriages and locomotives and rails, works 100%. The first presentation to the public will be successfully held in the sports hall. All students did a great job at the presentation.
Dismounting and Packing the T4EU-R 17:30 – 20:00	Collapsing all parts in boxes for transport to Brussels. Everything is packed so it is easy to assemble in the EU parliament.
Premiere Dinner 20:00 -	Good terminating dinner in Bad Kreuznach. Very good atmosphere after a good and successful first presentation.
