<p>COMPANY VISIT AND SIGHTSEEING DAY Wednesday 16th November 2011</p>	
<p>Hotel 06:00</p>	<p>Meetingpoint</p> <p>On Wednesday morning at 06.00 o'clock, the whole "Train for Europe-family" boarded their bus.</p> <p>Because it was too early in the morning, we couldn't have breakfast at the hotel. For this reason, on the way to Rijeka we made a short break.</p>
<p>3.MAJ Rijeka 10:00</p>	<p>When we arrived in Rijeka, we had the opportunity to visit the shipyard 3. MAJ. All of us were divided into two groups.</p> <p>One group could first visit the shipyard's engine production. The machines produced here are manufactured under license of Wärsilä Switzerland. These are 2-stroke engines to operate on heavy fuel oil. Most of the engine parts are produced locally (Including the necessary castings).</p> <p>The second Group was meanwhile instructed in the mysteries of shipbuilding. Past the impressive 300t crane system we could get an impression of substantial raw material storage. We could also observe the plasma and gas cutting machines, the cold forming of metal sheets and profiles as well as the welding machines in action.</p>
<p>Rijeka 12:00</p>	<p>In half time the two groups could change the guides, so we could learn about the construction of a ship.</p> <p>After two hours full of interesting information and with a lot of new experiences, we were on the way to Plitvice Lakes National Park.</p>
<p>12:30</p>	<p>Along the way we had the opportunity to enjoy an off-road picnic prepared by our hosts.</p>
<p>Nationalpark Plitvice Lakes 15:30</p>	<p>We arrived at the National Park.</p> <p>The time went very fast. So we had to hurry up a little bit to reach the boats in time. The hike through the beautiful nature and the unique waterfalls was an experience for all involved persons! Also the trip with the boats all members enjoyed.</p>
<p>Nationalpark Plitvice Lakes 17:30</p>	<p>We could climb the buses again. The road lead us back to Zagreb. On the way back to Zagreb, we made a stop at the restaurant Zganjer.</p>
<p>Hotel 20:00</p>	<p>After a long but very interesting and enjoyable day, we got back to our hotel.</p>
